- Abstracts due: Monday 3<sup>rd</sup> December 2018
- Call for papers (from successful abstracts): January 2019
- Papers submitted: April 2019
- Review period: April to May
- Feedback to authors: June 2019
- Final revisions: July 2019

## General Guidelines

An abstract with a **maximum 300 words** is required. The abstract should include the research aim and methodology, scientific innovation and relevance, preliminary results and conclusions.

- Please choose the most suitable theme for your abstract (listed on template).
- Please choose the submission category: Scientific/Industry
- Please list all the authors involved in the abstracts
- Please prepare your abstract in this file and save it as SBECardiff2019\_Abstract\_Surname.
- Please send the word/PDF file to [abstracts@sbe19.wales](mailto:abstracts@sbe19.wales)

## Scientific and Industry Submissions

If your abstract gets accepted we will then request a full paper (template will be provided later on). Please note that the final acceptance will be made based on the full papers.

**Final notifications will be sent by 31st Jan 2019.**

It is our intention that all accepted Scientific papers will be INDEXED via IOP Conference Series: Earth and Environmental Science.

Papers will also be published in the conference online program.

## Industry Submissions

Final acceptance will be made based on the abstract. It is possible to submit also full paper after the acceptance but it is not mandatory.

Accepted industry abstracts/papers will be published in the conference online program.

## Registration of Presenting Author

Presenting authors must register and pay the registration fee by **30th April 2019**. One day fees and student fees are not available for presenting authors.

We need one full registration for each presentation. Should one person wish to present multiple presentations a separate fee applies.
